GOVERNOR'S MESSAGE.

Just as we were going to press, we received Governor Shannon's Message, delivered on Tuesday. It is very lengthy—discussing severally the various topics that will claim the attention of the General Assembly this session. He shows very explicitly, that the difficulties in the monetary affairs of the Union, have been occasioned by a corrupt system of banking. He gives his views against a State Bank—views which every true Democrat will subscribe.

The amount of balance in the Treasury on the 15th Nov. 1838 was \$127,054.61. On the same date this year, \$227,076.14. The amount of tolls on the Ohio Canal up to Nov. 1st, 1839 was \$398,753.23. The School fund, Total, amounts to \$271,444.630.

From the Statesman of Dec. 2. OHIO LEGISLATURE.

Both branches of the General Assembly convened in their respective Houses this morning, at 10 o'clock. All the members present, except Mr. Shannon of the Senate, and Smith of Montgomery, and Way, and Godman of the House, who were detained by sickness in their families.

In SENATE, Gen. W. McLaughlin of Richland county, was unanimously elected Speaker; C. J. McNulty of Mr. Vernon, was re-elected Clerk, and Samuel Burwell of Carroll county, elected Sergeant-at-Arms.

The Officers of both Houses, are of course Democrats, and will, no doubt, ably and faithfully discharge the various duties devolving upon them, with honor to themselves and credit to the State. The evident unanimity prevailing, gives a sure guarantee that the Legislature will be an agreeable and practically laborious one. There is more than the usual amount of talent, and each is fully sensible of the great importance of the business of the present session, that will demand the combined abilities and experience of the whole.

OUR OPINION.—A mother who works her finger's ends off, in order that her daughters may attain and preserve a delicacy of appearance, is more to be blamed for her folly than praised for her diligence, or extolled for her wisdom.

If a man cannot pick up knowledge enough of the world in a year to satisfy him, he may in an hour discover enough to sicken him.

THE DOVER LYCEUM, Will meet on next Saturday evening, at the usual time & place, to discuss the adjourned question, viz.

"Is the influence of Females upon community, greater than that of Males?" A Public Lecture will be delivered at the same time by Doct. Isaac Steese.

The Ladies and Gentlemen of Dover and vicinity are respectfully invited to attend.

E. WELTY, Sec'y.

MARRIED.—On the 24th inst. by the Rev. Mr. Wharton, Mr. John Burrell, of Dover, to Miss Winifred Law of Wayne Township.

PROCLAMATION.

FOR A DAY OF THANKSGIVING AND PRAYER.

The earth has brought forth her fruits in abundance during the year which is now drawing to a close; the abundant crops of the husbandman have been gathered; peace, plenty, and happiness abound throughout the state, and we have been, as a people, highly favored by him from whom cometh all good. It is therefore not only proper, but a duty which we owe to HIM to whom we are indebted for our existence, and the many blessings which we enjoy, to return our most sincere thanks and grateful acknowledgments for the numerous favors which He has, in His great goodness, bestowed upon us.

Therefore, in conformity to a venerated custom which has long prevailed in all Christian countries, and in pursuance of a resolution of the General Assembly of the state of Ohio, passed March 18th 1839.

I, WILSON SHANNON, Governor of the state of Ohio, do hereby set apart and appoint Saturday, the 14th day of December next, as a day of public thanksgiving and prayer to almighty God, for the many blessings which we have enjoyed, and still continue to enjoy; And I do especially recommend that the day be kept as one of solemn religious observance—that Christian benevolence and charity be cultivated—that brotherly love and kindness towards all men be cherished—and that our Heavenly Father be implored to continue His favors to us all time to come, and to watch over and guard, in a special manner, the liberties of this people, and our free and prosperous institutions.

Given under my hand, and the Great Seal of the state of Ohio, at Columbus, the first day of November, in the year of our Lord, one thousand eight hundred and thirty-nine.

By the Governor, WILSON SHANNON.

PROSPECTUS OF THE SESSION BULLETIN.

The Bulletin will be issued twice a week during the session of the General Assembly, at the rate of \$1.00 in advance—A full and complete report of the proceedings of the two Houses will be given—Intelligent and faithful reporters will be employed for this purpose, and every effort of the Editor will be used to furnish the earliest possible intelligence to those who take an interest in the proceedings of the Legislature.

Having had hitherto, considerable experience in the publication of a paper, and in reporting the doings of the General Assembly, the Editor will endeavor to be outdone by none of his contemporaries in the promptness, correctness, and fidelity of this important branch of Legislative information. Those who were the patrons of our first Bulletin, and subsequently, of the Columbus Sentinel, while we were the Editor, never had cause to complain; but all professions to be well pleased; and such as may again favor us with their names and patronage, may rest assured that nothing in this particular, shall be wanting on our part to fulfill their just expectations and wishes.

May the Editor appeal to the liberality and kindness of his friends, and the public for a share of their support, and patronage, and will Postmasters and others, into whose hands this may fall, obligingly extend it to such individuals as will be willing to subscribe? To such we will feel greatly indebted, and for any trouble they may thereby incur we will amply and satisfactorily reward them.

JOHN A. BRYAN.

PROSPECTUS OF THE Ohio Democrat AND DOVER ADVERTISER.

Assured that, in adopting the measure, we are but meeting the obvious wants of the community, the subscribers will offer to the approbation and support of their fellow citizens a weekly newspaper to be published in the town of Canal Dover, Ohio, bearing the name of the "Ohio Democrat and Dover Advertiser." Although the limits of a Prospectus do not admit of extended expositions and minute details in regard to this enterprise, somewhat of our principles and purposes will be properly demanded by the public, and as far as is fitting to the occasion, we proceed briefly to declare them.

The political columns of our paper will be found, therefore, to expose the doctrines of a strict construction of the Federal Constitution, will advocate the principles of the present Administration, and will maintain the doctrine of the Democratic Party in that political reform which has been so repeatedly indicated by the general suffrage. As conductors of a public Journal whose object is the diffusion of light and knowledge, our columns will be open to full and free discussion on all matters that interest the Public.

We shall be equally gratified if we may be instrumental in refuting the opinions of those who differ from us, or if wrong ourselves, that our errors be corrected. We earnestly desire to establish an independent and FREE Press, in the liberal sense of the terms. Not so independent, as it may be above patronage and reckless of opinion, not free as its conductors may publish what they please and withhold what they please—but so independent that it shall inculcate truth, and so free that it shall be accessible to the efforts of all who honestly seek the enlightenment of the public mind, and the common good of our common country.

A portion of the paper will be devoted to the improvement of agriculture, and the lovers of Literature shall have spread before them many of the most interesting selections of Foreign and Domestic news, we will give a weekly report of the Market Prices, and desire to make our paper profitable, to the whole community through which it may circulate.

Terms of Publication.—The "Democrat and Advertiser" will be published weekly at \$2.00 per annum, if not paid within six Months, after the first number is published, and \$2.50 at the end of the year.

THE OHIO STATESMAN. SESSION PAPER.

According to custom, we again present to the people of Ohio our prospectus for a paper during the session of the Legislature. Many persons who do not find it convenient to subscribe for a paper printed at this place for a while year, do so during the sitting of the Legislature, being desirous of seeing what is done by those in whose keeping they have entrusted the affairs of the State. To accommodate this just desire, in the people to be thoroughly acquainted with every thing pertaining to their happiness and welfare, we have in this prospectus extended facilities and favors beyond what has been customary. We shall issue during the session a weekly paper (free of advertisement,) at first cents—a semi-weekly at one dollar—tri-weekly at two dollars, and a daily at three dollars. By this arrangement we will be able to accommodate every portion of the State by all the mails, and we hope our friends will not be remiss in availing themselves of these means of information. It is all important that every freeman should be fully acquainted with every question touching the welfare of the State and nation.

The approaching session of the Ohio Legislature will be a most important one. No previous one has ever had the same number of delicate and exciting questions to meet and act upon—questions which cannot be avoided, nor disposed of in a moment. Among these are our Internal
